

Raven's Progressive Matrices

We are beginning the **puzzle task**.

In this task, you will be shown a series of puzzles. For each puzzle, your goal is to identify the missing piece from the options appearing below the puzzle.

Next >

There are 9 puzzles in total. You will have **30 seconds** for each puzzle.

Try to be as accurate as you can be. If you cannot solve the puzzle before time runs out, then you should guess.

Press the "next" button to get started.
